

ERANet-LAC

Network of the European Union, Latin America and the Caribbean Countries on Joint Innovation and Research Activities

DLR/ Oct 2013/ Mexico D.F.

Objective

Strengthening the partnership in Science, Technology and Innovation between both regions

Consortium with 16 EU-CELAC partner countries

Finland, France, Germany, Norway, Portugal, Romania, Spain, Turkey
Argentina, Barbados, Brazil, Chile, Mexico, Panama, Peru, Uruguay

Project duration

October 2013 – March 2017

First steps

Kick-off meeting in Berlin – mid November 2013

Activities planned

- a) Promoting mutual opening and coordination of existing programmes + infrastructures + cooperation – funding of „pilot action groups“
- b) Implementation of 2 Joint Calls (end of 2014 + 2015) - topics defined by EU-CELAC JIRI WGs and other initiatives
- c) Coordination of a consultation process (funding agencies and research institutions from both regions)
- d) Building up a platform for EU and CELAC funding agencies

Close cooperation with...

ALCUE NET, thematic projects such as ALCUE KBBE, EU-LAC HEALTH, Leadership, ENSOCIO-LA
