

ALCUE NET

Latin America, Caribbean and European Union Network on Research and Innovation

E4. Working Meeting on the CELAC Bioeconomy Observatory

Work Schedule 2014-2016

March 19, 2014 - Cali, Colombia

Bioeconomy Observatory timing

October 2013 – March 2014:

Recommendations report to build the Observatory of Bioeconomy in Latin America and the Caribbean

Identity for the observatory (colours, logo, etc.) to somehow link it to ALCUE-KBBE projects (to give continuity as it will be using the same URL) and ALCUE NET project (which gave rise to the idea of creating an observatory in Bioeconomy at the regional level).

March 2014 :

Core working group & alliances for each pillar: expression of interest to join the Observatory team (regional/national institutions)

Mapping existing regional information systems to develop synergies & data sourcing (take into account other regions, such as Europe and the US)

April 2014 – ??:

Data sourcing management

Programming of the architecture

Budget & Financial management

Bioeconomy Observatory timing

July 2014:

Creation of a pilot webpage

Troubleshooting (help-desk) and security

Communication strategy and positioning of the Observatory
(Regional and International Dissemination): identify key
multiplicators (institutions, networks and agents)

??:

Official launch of the CELAC Bioeconomy Observatory
