

A stylized bird logo on the left side of the slide. The bird is composed of various elements: its head and beak are blue; its wings and tail are white with blue and brown patterns; its body is a brown spiral containing a landscape image of a field and trees. The bird is surrounded by decorative brown and blue swirls.

Institut de recherche pour le développement

A pluridisciplinary Institute of Research for
Développement

IRD 3 fundamental objectives

2300 people
50 countries

1700 publicaciones in the Web of Science 2012
50 % co-publicaciones with Southern countries

INVESTIGATION
