Latin America, Caribbean and European Union

Network on Research and Innovation

ALCUE NET supports the CELAC-UE S&T Policy Dialogue process & the Joint Initiative for Research and Innovation (CELAC-UE JIRI) implementation during 2013-2017, reflecting the suggestions and recommendations of the Senior Officials Meetings (SOM).

ALCUE NET aims to establish a common platform for EU-LAC policy makers, research institutions and the private sector

ALCUE NET aims at strengthening and expanding the National Contact Points (NCP) in Latin American and Caribbean countries, as well as engaging with Alumni networks, other INCO-NETs and related thematic biregional projects.

ALCUE NET is a collaborative project funded by the European Commission under Project No 60395
