¿What is HORIZON2020?

- The EU's leading funding program for research and innovation: worth € 80 billion (2014 -2020)
- Its main goal is to ensure european global competitiveness through enterprise innovation; mainly for countries from the European Union and its associate countries.
- It comprises the main concerns of people and social challenges.

Structure

How to participate?

Analyze the different possibilities:

- Mobility projects, applied science, thematic?
- *Bottom-up or top-down?*

Activate international partners:

- Look for foreign associates for joint applications
- “Multiplier partners”

Closely read the calls and their rules:

- Analyze the criteria of each program
- Examine the text of the call, the requirements of the participants, budget, etc.

Calls:

- Published since 11/12/2013
- Calls for 2014 and 2015 (Work Programme) – 2016 – 2017 incoming...
- Each call has its bases and guides: “legal basis – rules for participation”, “*guide for applicants*”

What does COLCIENCIAS offer?

COLCIENCIAS is the main Coordinator National Contact Point (NCP) in Colombia for H2020

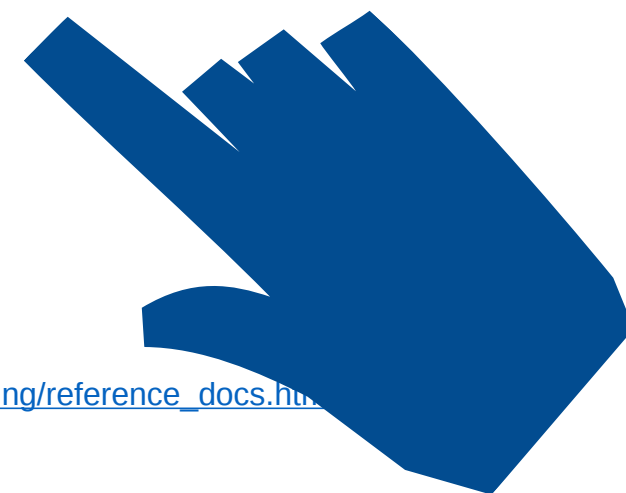

- The International Office at Colciencias offers guidance and general advice.
- We organize informational events. (Supported by the communication strategy of H2020)
- We coordinate the NCP network.
- We want to transfer project expertise and contacts to the interested parties on H2020
